### General Comments

William Calvert 1412 Locke Mt. Rd is requesting a lighting and noise ordinance, Mr. Calvert stated there was a party over the weekend, the base was so loud that the neighbor who lives 586 yards away could hear it, and that was with all the windows closed. Solicitor Gieg asked if he had made an attempt to call the State Police, Mr. Calvert fear is that since we don't have an ordinance for noise they won't do anything.

Francis Hugg was present and question if the Board is going to do anything about fracking within the Township since the pipeline is going through. Solicitor Gieg stated that he google the fracking wells within the Township and said he could find any in Blair County. Miss Hugg stated that once she fined the sight again that she would get the information to Solicitor Gieg.

Lois Kaneshiki was present concerning the Blair County Republican Committee and asked the Board as being all Republicans to get more involved with committee. Ms. Kaneshiki stated that there are 5400 register voters within Frankstown Township and the 2015 general election there were only 1375 that voted.

Stormwater Issues Lynn Granville question if there was any work being done with his concerns located at his property on Elm St. The report generated by Engineer Levine stated that the driveway pipe was plugged up.

Ms. Hugg also question with the Sunoco Pipe Line going through now is there an evacuation plan in place in the event a problem rises? Supervisor Henry stated that the Locate EMC would have a plan in place, as well as the County.

Mr. Calvert question who owns the White Bridge and if could be open for foot traffic as well as bike traffic? He was told the bridge is owned by the County.

Meeting adjourned with a motion made by James Grove and 2<sup>nd</sup> by Kenneth Wertz at 7:30 PM.
